Creed: The resurrection of the body, and the life everlasting

Week of 4.20.20

- The Apostles' Creed helps us interpret life. Through what other lenses do you see people around you interpreting life, particularly the end of life?

The Apostles' Creed

I believe in God, the Father Almighty, Maker of heaven and earth.

I believe in Jesus Christ, his only Son, our Lord; Who was conceived of the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried. He descended into hell. The third day he arose again from the dead. He ascended into heaven and sits at the right hand of God the Father Almighty, whence he shall come to judge the quick and the dead.

I believe in the Holy Spirit, the holy catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen.

Big Idea: When Christ appears, he will change your earthly body into an everlasting glory body.

- Randy taught us that "God the Father sent his Son on a search and rescue mission." Do you feel like you have been rescued? From what have you been rescued?
- The realm that we will eventually be in will have no sin, no death, and no disease. Talk together about how the reality of heaven affects you now.

- Christ transforms our hopelessness into hopefulness, our grief into joy. Through this pandemic how has your hope and joy been? What can you do this week to find your hope and joy in Christ even in the midst of suffering?
- Read 2 Corinthians 1:9. As Christians we have what no other religion has. We are able to look at death from a different perspective. How do you look at death? Does your perspective match that of Paul's as he writes to the Corinthian believers?
- What word of hope are you able to share with your neighbor, your family, your co-workers as you walk through this difficult time alongside them?
